

NEUBERGER BERMAN

1Q17 FIRM PROFILE

Founded in 1939, Neuberger Berman is a private, 100% independent, employee-owned investment manager. From offices in 30 cities¹ worldwide, the firm manages a range of strategies—including equity, fixed income, quantitative and multi-asset class, private equity and hedge funds—on behalf of institutions, advisors and individual investors globally. With more than 500 investment professionals and approximately 1,900 employees¹ in total, Neuberger Berman has built a diverse team of individuals united in their commitment to delivering compelling investment results for our clients over the long term. Our culture has afforded us enviable retention rates among our senior investment staff and has earned us a citation as the top-ranked firm (among those with 1,000 or more employees) in the *Pensions & Investments* 2016 Best Places to Work in Money Management survey, after we had finished in the top three from 2013 – 15.

Thought Leadership

Asset Allocation Committee Outlook

Anticipating a gradual path to U.S. interest rate policy normalization—and attendant volatility—the Asset Allocation Committee has adopted a slightly less bullish outlook for the next 12 months, compared with one quarter ago. Our preference for equities over fixed income, and credit over sovereign debt, remains intact.

⁴ Employee assets include current and former employees and their family members.
