The Responsible Entity’s duties and obligations arise from the Constitution of the Trust, the Trust’s compliance plan, and duties under the Corporations Act 2001 (the Act).

The Responsible Entity Board Charter, available at <https://www.nb.com/en/au/nbi-policies-charters>, sets out the responsibilities of the Board, which include:

RECOMMENDATION 2.3

Independence of directors

The Directors of the Responsible Entity are not considered to be independent directors, as each director is employed in an executive capacity by the EQT Group.

Instead, independent oversight is built into the structure of the relationship between the Responsible Entity and the Manager. The Manager conducts the day-to-day investment and other services and the Responsible Entity provides the independent oversight.

The Responsible Entity Board believes the directors' independence of judgement is not compromised because of their executive capacity, as together they collectively have the appropriate balance of specialist skills, knowledge, and experience to enable the Board to discharge its duties and responsibilities effectively in relation to the Trust and independent oversight of the Manager.

Further, the Board utilises the support of the Responsible Entity Compliance Committee comprised of a majority of external (independent) members to assist the Board to oversee the Trust's compliance and the Responsible Entity's legislative, trustee and listing obligations.

The Responsible Entity Compliance Committee's Charter is available on the Trust's website <https://www.nb.com/en/au/nbi-policies-charters>

In summary, the Responsible Entity Compliance Committee's key remit is:

- To review and make recommendations to the Board in relation to the Responsible Entity's compliance with the Act and its license obligations;
- Assess the adequacy of the Trust's compliance plan and monitor compliance against it; and
- Confirm that the Trust has engaged at all times an auditor and that the auditor has been given access to the books of the Trust

The relevant qualifications and experience of the members of the Responsible Entity Compliance Committee are available on the Trust's website <https://www.nb.com/en/au/nbi/content/corporate-governance>

RECOMMENDATION 3.1

The EQT Group, including the Responsible Entity, considers that its values, culture and conduct are of the highest importance. These are described in detail in the EQT Group Corporate Governance Statement, available at www.eqt.com.au.

RECOMMENDATION 3.2

Code of conduct

The Responsible Entity has adopted the EQT Group Code of Conduct and Ethics which sets out the standards of ethical behaviour expected from its Directors, officers, employees and contractors involved in the management and operation of the Trust. Material breaches of the Code of Conduct and Ethics, are reported to the Board of the Responsible Entity and are also reported to the EQT Group Board or its committees.

RECOMMENDATION 4.1

Audit Committee

The Responsible Entity has established an Audit Committee to oversee the integrity of the Trust's financial reporting, the appointment and independence of the Trust's auditor, internal financial controls, and financial procedures and policies. The Audit Committee comprises five members of which one is an independent member.

The Chair of the Audit Committee is also the Chair of the Responsible Entity Board. This differs from Recommendation 4.1, as independent oversight is built into the structure of the relationship between the Responsible Entity and the Manager. The Manager conducts the day to day services and the Responsible Entity provides the independent oversight.

The member of the Responsible Entity's Audit Committee collectively have the necessary financial and accounting qualifications and experience in funds management, trustee services business, and/or ASX listed environment to be able to execute their duties such that their independence of judgement is not compromised. The Audit Committee's remit is broader than its oversight of the Trust.

The Audit Committee's Charter is available on the Trust's website <https://www.nb.com/en/au/nbi-policies-charters>. In summary, the Audit Committee's remit is:

- To consider matters raised by the Responsible Entity Compliance Committee and Disclosure Committee, including incidents and breaches, and particularly where the matter may or does have an impact on financial reporting processes, internal financial control systems, and the financial position of a Trust;

- To ensure the auditors meet with the Board

The relevant qualifications and experience of the members of the Audit Committee are available on the Trust's website.

RECOMMENDATION 4.2 - DECLARATION RE FINANCIAL RECORDS

The Responsible Entity has established processes to ensure the financial statements of the Trust are reviewed and approved by the Board each financial year. This includes a process to obtain from senior management of the Responsible Entity (pursuant to section 295A(1) of the Corporations Act 2001 (Cth) a declaration that, in their opinion, the financial records of the Trust have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the Trust and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.

RECOMMENDATION 4.3 – PERIODIC CORPORATE REPORTING

Any periodic corporate reports that are not audited, such as the Director's Report and this Corporate Governance Statement, are subject to extensive review prior to release to market.

The review includes, fact checking and interrogation by the Responsible Entity's management team as well as Responsible Entity Board or its Committees and other stakeholders where relevant.

RECOMMENDATION 5.1, 5.2 & 5.3

Continuous Disclosure

The Responsible Entity is committed to ensuring:

- All investors have equal and timely access to material information; and
- Our announcements are accurate, balanced and objective.

The Responsible Entity has a Continuous Disclosure Policy available on the Trust's website <https://www.nb.com/en/au/nbi-policies-charters> which sets out our processes for complying with our continuous disclosure obligations under ASX Listing Rule 3.1. This sets out the roles and responsibilities of authorised persons and our processes to review and authorise market announcements.

The Responsible Entity may utilise its Disclosure Committee to assist in meeting the ASX Listing Rules continuous disclosure obligations.

To ensure the Responsible Entity Board has timely visibility of the nature and quality of information disclosed to the market (and its frequency) the Responsible Entity's Directors receive copies of the Fund's market announcements immediately after they are made.

The Continuous Disclosure Policy and Disclosure Committee Charter are available on the Trust's website <https://www.nb.com/en/au/nbi-policies-charters> and requires that the Trust releases new and substantive investor presentations to the market and prior to making the presentation to analysts and Unitholders.

RECOMMENDATION 6.1

Provision of information to, and communication with, investors

The Responsible Entity provides investors with comprehensive and timely access to information about itself, the Trust and the governance of the Trust on a dedicated corporate governance information section on the Trust's website <https://www.nb.com/en/au/nbi/content/corporate-governance>

The website also includes information such as that which is required to be lodged on the ASX Platform, policies, charters, and distribution information. The Trust's Annual Report and financial statements are available on the Trust's website <https://www.nb.com/en/au/nbi-policies-charters>.

A copy of the policy is available on the Trust's website <https://www.nb.com/en/au/nbi/content/corporate-governance>

RECOMMENDATION 6.2

Investor Relations

The Responsible Entity facilitates two-way communication with Unitholders by ensuring that communications, ASX announcements and updates issued by the Responsible Entity through the ASX, the media or on the Trust's website have a visible email address and phone number for inquiries. This is separate to the two-way communications available with the Trust's registry. The Unitholder Communications Policy is available on the Trust's website <https://www.nb.com/en/au/nbi-policies-charters>

A tailored investor relations program has been developed for the Trust to facilitate effective communication with prospective investors, stakeholders, Unitholders, the Responsible Entity and the Manager.

RECOMMENDATION 6.3 & 6.4

The Trust is a managed investment scheme. It is not required to hold an annual general meeting. However, should an investor general meeting be required, the Responsible Entity has established processes to facilitate the general meeting. The requirements are as reported in the Trust's compliance plan.

Resolutions at Unitholder meetings are decided by a poll, rather than a show of hands, to ensure full transparency.

RECOMMENDATION 6.5

Option for electronic communication

Unitholders have the option to receive communications from, and send communications to, the Responsible Entity and the Trust's registry, electronically.

RECOMMENDATION 7.1, 7.2, 7.3 & 7.4

Management of Risk

The Responsible Entity does not have a separate risk committee. Instead, the Responsible Entity Board undertakes the role of oversight of the Trust's risk management framework.

The Procedures the Board employs for overseeing the entity's risk management framework, as it relates to the Trust, include:

- Receiving and reviewing breach reports, incident reports, and complaints reports in relation to the Trust;

- Receiving internal audit reports and assessing the necessity for any changes to the EQT Holdings Limited's Group risk profile and risk strategy as it applies to the Trust and Responsible Entity;
- Ensuring the Trust's risk management framework's three lines of defence are functioning effectively;
- Utilising the Responsible Entity Compliance Committee to provide additional oversight of risk: and
- Reviewing the minutes of, and any matters escalated by, the Disclosure Committee, Responsible Entity Compliance Committee and Audit Committee.

The Responsible Entity's Board has reviewed the Trust's risk management framework during the reporting period to ensure it continues to be effective and has been designed to assist the Responsible Entity to identify, assess, monitor and manage risks.

The Responsible Entity has an internal audit function. The Responsible Entity Board, the Responsible Entity Compliance Committee and the management of the Responsible Entity regularly liaises with the EQT Group internal audit and reviews audit processes and reports.

The Trust's Investment Manager considers labour standards and environmental, social or ethical considerations in the selection, retention or realisation of investments relating to the Trust as described in the Trust's Product Disclosure Statement.

RECOMMENDATION 8.1, 8.2 & 8.3
