Part II	Organizational Action Attach additional statements if needed. See back of form for additional questions.
----------------	---

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ► Neuberger Berman Income Funds - Neuberger Berman Core Bond Fund paid a non-taxable return of capital distribution to its shareholders per the attached Statement #1.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ► The total amount of non-taxable return of capital, on the attached Statement #1, represents a reduction in the shareholder's tax basis in their shares held.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ► **The tax basis of the shareholder's shares is decreased by the per share amount of non-taxable return of capital, on the attached Statement #1, multiplied by the number of shares the shareholder owns.**

Part II Organizational Action (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ► Pursuant to Internal Revenue Code ("IRC") Sec. 301(c)(1), the portion of a distribution, which is a dividend (as defined in IRC Sec. 316), is includable in gross income. Pursuant to IRC Sec. 302(c)(2), the portion of a distribution, which is not a dividend, shall be applied against and reduce the adjusted tax basis of the stock.

18 Can any resulting loss be recognized? ► Not applicable

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ► Pursuant to IRC Sec. 6045, brokers are required to reflect these adjustments in the cost basis reporting for covered securities. If a broker is not required to provide cost basis to a particular shareholder, the cost basis of the shareholder's shares should be adjusted as of the distribution date to reflect the return of capital described above. The final amount of taxable dividends and non-taxable return of capital (i.e., non-dividend distributions) will be reported to shareholders on their 2019 Form 1099-DIV.
