You can find additional information about the Fund at www.neuberger.com/LargeCapGrowth/TSRdocuments. You can also request this information by contacting your financial intermediary or investment provider or at 800.366.6264 or issdl@nb.com. **This report describes changes to the Fund that occurred during the reporting period.**

What were the Fund's costs for the year? (based on a hypothetical $10,000 investment)

Class Name	Costs of a $10,000 investment	Costs paid as a percentage of a $10,000 investment
Class R6	$58	0.55%

How did the Fund perform last year?

The Fund generated a positive total return as did the Russell 1000® Growth Index (the Index) for the year, driven by strong stock selection and an overweight within the Industrials sector versus the Index, particularly Machinery holdings, and by strength in the Fund's private investment holdings. These gains were partially offset by weak stock selection within the Health Care sector, particularly Health Care Equipment & Supplies holdings, and within Financials, driven by Capital Markets holdings.

The graph shows how a hypothetical investment in the Fund changed in value over the period and for the amount indicated above, and compares it with a broad-based market index and, if applicable, an additional index. The graph and table do not reflect the effect of taxes a shareholder would pay on Fund distributions or on the sale of Fund shares. The performance prior to Class R6's inception date of March 29, 2019 is that of the Fund's Investor Class, which had higher expenses than Class R6 so its performance typically would have been lower than that of Class R6. **Results represent the Fund's past performance, which is not a good predictor of how the Fund will perform in the future.** For current performance, please visit www.neuberger.com/performance.
