* For the purposes of this form, a **legal entity** includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. **Legal entity** does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

**** A beneficial owner is defined by the following:**

- Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the share of a corporation); **and**
- An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President or Treasurer). The number of individuals that satisfy this requirement may vary. Under (a), depending on factual circumstances, up to four individuals, but as few as zero, may need to be identified. It is possible that in some circumstances the same individual might be identified under both (a) and (b) (e.g., the President of Acme Corp. also holds 30% equity interest).
