

## 2014 Foreign Taxes

For 2014, Neuberger Berman Emerging Markets Equity Fund, Neuberger Berman Emerging Markets Debt Fund (formerly Neuberger Berman Emerging Markets Income Fund), Neuberger Berman Global Allocation Fund, Neuberger Berman Global Equity Fund, Neuberger Berman Global Long Short Fund, Neuberger Berman Global Thematic Opportunities Fund, Neuberger Berman Greater China Equity Fund, Neuberger Berman International Equity Fund and Neuberger Berman International Select Fund (formerly Neuberger Berman International Large Cap Fund) have not elected to pass through foreign taxes paid by these funds. Foreign taxes were deducted by the funds, thus reducing the amount of ordinary income required to be distributed to shareholders.
